

Healthy Kids Running Series Rebate Terms and Conditions

Healthy Kids Running Series in Partnership with Musselman’s is offering a 50% rebate on runner registration excluding taxes and processing fees for qualifying customers. The rebate will be issued to the customer within 60 business days of receipt of qualifying rebate forms and 6 original Musselman’s Apple Sauce UPC codes. Customers will receive a rebate directly from Healthy Kids Running series as a personal check via USPS. Photocopied rebates not accepted unless in a qualifying state. Qualifying rebates will include a legible form with a specified return address and the necessary 6 distinct Universal Product Codes along with a receipt from the business of purchase.

Rebates will be issued to customers who registered to race in the following towns and cities with no exceptions. Customers who register in one city, and then change to a non-qualifying city will be ineligible to receive rebates. Additional exclusions apply to walk-up registrations, and single day race registrations. No rebates will be issued by individual healthy kids running series or community coordinators. Rebates are only able to be submitted to and processed by the Healthy Kids Running Series corporate office.
